

CBR TEAM COMPETITION

SOCAL 2025 SERIES

#WeRaceAsOne
#CaliforniaBicycleRacing

This competition was introduced in 2017 for the CBR series, and it was an enormous success! This competition encourages teams to bring on more riders to their club and introduce them to competitive racing. However, the largest club does not always have the greatest advantage. Precisely placed teammates can gain you the necessary points needed to make you the next TEAM CHAMPION!

Being a team Champion earns you the Team Cup, with your team engraved on it for all time. You also get to proudly show off your team trophy in front of your VIP team tent on the team pedastal at every event.

How it works, and how to earn points

The team that accumulates the most points throughout the 7 race series, will then be declared Team Champions. Points will ONLY be awarded to the team if the racer is registered to that Club/Team with USAC on that day! Maximum Team Points that can be earned Per BAR Category is the top 5 teammates in that one given Category.

Points will be awarded the following

PLACE	POINTS	PLACE	POINTS
1	30	11	10
2	27	12	9
3	25	13	8
4	23	14	7
5	21	15	6
6	19	16	5
7	17	17	4
8	15	18	3
9	13	19	2
10	11	20+	1
